Thank you for participating in the Park District Master Planning process. Your input is important to understanding the priorities, challenges and opportunities in the Freeport Park District. We are interested to better understand your experience and opinions regarding the Freeport Park System.

RATIO, our planning consultant, will use the following questions as a way to gain an initial understanding of the community's opinions regarding the park system and individual parks. Please fill out the questions and return the answer to the Freeport Park District. All answers will be included in the summary of the public engagement process.

1. Are you a resident of Freeport? If not, which community do you live and work in?
2. How often do you use a city park? And for what purpose?
3. Which park do you frequent most often?
4. Are the parks easily accessible from your home or place of work?
5. What elements or programs are critical to keep in the future?
6. Are there special venues or elements the Park District is currently lacking?
7. What community needs do the current facilities and programs best meet?
8. What is your biggest concern about his master planning process?
9. What are the greatest resources within the Park District?

10. Ten years (10) from now, what kind of park system do you envision for Freeport?

11. What are the opportunities for improving the District to meet your needs?

12. What should the Park District's number one priority be moving forward?
