III. GENERAL DETAILS

EXAMINATION OF SITE

Contractors shall inform themselves of all the conditions under which the work is to be performed concerning the site of the work, the obstacles that may be encountered, and all other relevant matters concerning the work to be performed under this contract.

The Contractor to whom a contract is awarded will not be allowed any extra compensation by reason of any such matters of things concerning which the Contractor did not inform himself prior to submitting a proposal. The successful Contractor must employ, so far as reasonably possible as determined by Freeport Park District, such methods and means in the carrying out of his/her work as will not cause any interruption or interference with any other park programs or activities.

DAMAGE TO PUBLIC OR PRIVATE PROPERTY

Any damage of public or private property caused by the Contractor's operations shall be resolved by the Contractor with the property owner within ten (10) days after damage occurs and shall be resolved to the satisfaction of Freeport Park District. The Contractor shall inform Freeport Park District of any damage caused by the Contractor's operation on the day such damage occurs. Should the damage not be rectified within the time frame agreed upon or to the satisfaction of Freeport Park District, Freeport Park District reserves the right to repair or replace that which was damaged or assess the Contractor such cost as may be reasonable and related to damaged caused by the Contractor, and deduct these costs from any payment due the Contractor.

PROTECTION OF EXISTING FACILITIES

Existing facilities, including grounds, structures, landscaping and so forth shall be protected by the vendor. Any damage to existing facilities shall be reported to Freeport Park District and shall be repaired promptly by the vendor when ordered to do so by Freeport Park District at no cost to Freeport Park District. This includes ruts created by running equipment over lawn areas and damage to plants from over spray. All repairs of damage to existing facilities shall be made to the satisfaction of Freeport Park District. Failure to repair damage shall be just cause for withholding payment for work.

CONTRACTOR'S REPRESENTATIVE

Competent supervisory personnel who can communicate effectively with Park District staff shall always be present on the job. The supervisory personnel shall have full authority to act for the Contractor and receive and execute orders from the Park Hills General Manager or appointed representative. The Contractor shall properly schedule and train all its personnel. It is required that the supervisor be on site to ensure all work has been completed in a satisfactory manner. Freeport Park District reserves the right to have the contractor assign a new contact person, supervisor, and/or staff, for Freeport Park District's account if the current representative(s) are deemed unacceptable.

ACCESSIBILITY OF CONTRACTOR

Contractor shall supply cell phone numbers and daytime office numbers of supervisors handling this contract. The Contractor shall return all calls within one hour of Freeport Park District placing the call. On-site response time for complaints must be made within 24 hours of the initial call being made by Freeport Park District.

WORKERS

Workers must take care to insure the least amount of disturbance to the sites, Park District staff members, and the general public. The Contractor is reminded that its employees are to work in a courteous and respectful manner. Inappropriate behavior or examples of unproductive work effort will not be tolerated. Freeport Park District has the right to request that a Contractor's employee be immediately removed from the work crew if the above behavior is exhibited.

SAFETY

The Contractor shall insure that all its employees or agents shall abide by all safety rules or regulations set by Freeport Park District as well as by general regulations and standards of the industry and in accordance with all applicable federal, state, and local regulations.

TRESPASS ON LAND

The Contractor shall confine his/her operations and storage of materials and equipment to the job site park. The Contractor shall exercise extreme caution so as not to trespass upon property of third parties not involved in the contract. If the Contractor is to enter upon the property of third parties in the execution of the work, he shall obtain written permission prior to doing so and submit evidence of said written permission to Freeport Park District.

WORKING HOURS

The Contractor shall work between the hours of 7:00 a.m. to 5:00 p.m. Monday through Friday. If work must occur outside of these working hours, the Contractor must request written permission from the Superintendent of Parks before the work begins.

SUBLETTING CONTRACT

It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of this contract or his/her right, title, or interest therein, or his/her power to execute such contract, to any other person, firm, or corporation, without the previous written consent of an authorized representative of Freeport Park District; but in no case shall consent relieve the Contractor from his/her obligations or change the terms of the contract.

DEFAULT

The contract may be canceled or annulled by Freeport Park District in whole or in part by written notice of default to the Contractor upon nonperformance or violation of contract terms. Failure of the Contractor to deliver services within the time stipulated, unless extended in writing by Freeport Park District, shall constitute contract default.

COSTS

The undersigned hereby affirms and states that the prices quoted herein constitute the total cost to Freeport Park District for all materials and work involved in the respective items.

EQUIPMENT CONDITION

The Contractor is responsible for keeping all equipment in good, safe operating condition. All equipment will be kept in such a condition so that the gas/oil is not leaking.

FUEL/OILING/CHEMICALS

Spilling gasoline, oil, or other chemicals used for chip and seal can kill the grass and damage the soil. If any spill should occur the Contractor shall immediately commence the appropriate clean up in conformance with any and all applicable regulations. The Contractor shall be responsible for all costs associated with such a clean-up and restoration and/or reimbursement for any damages that may occur.

FINAL INSPECTION

Upon notice of completion by the Contractor, project will receive a final inspection by the Park Hills General Manager. Any items from this inspection needing attention will be given to the Contractor in the form of a punch list. All items on the punch list must be finished to the satisfaction of the Park District before final payment will be issued.

PROPOSAL

Prices shall include all materials, labor, and equipment needed for work as specified in sections I, II, and III of these documents.
