

Employment Opportunity

Job Title: Building Maintenance Technician

Agency: Freeport Park District

Starting Annual Salary: \$23.50 - \$28.75 per hour

Application Closing Date: July 10, 2024

Objective: Freeport Park District is seeking an experienced technician to oversee the park's facilities maintenance program.

Qualifications: Experience in one or more of the following trades: HV/AC, plumbing, or electrical, and a Highschool Diploma/GED with a minimum of 2 years professional experience in building maintenance within a park system or equivalent setting. Should have experience operating basic maintenance equipment including, but not limited to, lifts, compact loaders, compact excavators, and dump trucks.

To be a successful Building Maintenance Technician, you should have knowledge of building systems, outdoor water systems, and swimming pool maintenance. The Building Maintenance Technician should also have excellent communication skills, and the ability to work under minimal supervision.

Duties: On a daily basis, the Building Maintenance Technician is responsible for performing building maintenance (electrical, plumbing, and HV/AC), and pool maintenance during the summer. The Building Maintenance Technician may also be called on to assist with snow plowing in the winter.

To Apply: Send resume and a cover letter to:
