

Memorial Tree Order Form

(Please complete one form for each tree)

Name of Donor Contact: _____ Date: _____

Street Address: _____

City: _____ State: _____ Zip: _____

Cell Phone: _____ Email: _____

Person/Program/Organization recognized or memorialized by the donation:

Name: _____

Planting a tree is a wonderful way to honor someone or celebrate a special occasion. Placing a plaque at the base of the tree with a thoughtful inscription helps those visiting the tree understand the tribute being made. Freeport Park District will plant a memorial tree with a plaque in a park of your choosing. These trees will stand as vital reminder of a loved one or a special moment worth commemorating in your life.

“He who plants a tree, plants a hope.” – Lucy Larcom

- By signing this form, I understand that the memorial tree program is a tree planting program offered by the Freeport Parks Foundation to benefit Freeport Parks. **Additional plantings around memorial trees or decorating the tree is not permitted.**
- The Park District will water and care for the tree until it is established. Additional watering and pruning are not necessary and may harm the tree.
- The cost per tree is \$500. This fee includes perpetual care and one replacement tree if the tree does not survive within the first five (5) years. The fee also includes a 5"x 5" plaque to be installed on a pedestal at the base of the tree. Final text selection can be made on the back page of this form.

To initiate your memorial tree, please include a check with this form for \$500. Checks should be payable to the Freeport Parks Foundation.

You are welcome to suggest a preferred planting location by Park, general area within a park, or other criteria of specific interest. We will take your selection into consideration but can't guarantee availability.

1st _____

2nd _____

3rd _____

We will contact you to finalize the tree and location.
